The **Neighborhood Watch Program** is a cooperative effort between the **Annapolis Police Department** and the **Citizens of the City of Annapolis** to strengthen our neighborhoods through police-community partnerships. The goal is to heighten crime and drug prevention awareness, build support and participation in local anticrime programs and, most importantly, send a message to criminals that our neighborhoods are organized and fighting back. All persons involved in the program are assured that their identifications and information will not be divulged to anyone outside of the Annapolis Police Department.
